GDPR - ALL CALL CENTRE HELPER MAGAZINE
LEADS ARE GDPR COMPLIANT

GDPR (General Data Protection Regulation) came into effect on 25th May 2018 and we are GDPR compliant.

All marketing communications from Call Centre Helper - email blasts, webinar mailings, event mailings and white paper/report downloads (including those sent out on behalf of our customers) contain permission boxes to indicate if they are happy to be contacted by the sponsor.

We have found a better response to our emails, as we are able to deliver the type of content that our readers are interested in. The results of white paper and webinar mailings, since GDPR have been encouraging

Post GDPR (opt in, no pre-ticked boxes)

- 46% Email Permission
- 1% Phone Permission
- 53% No Contact

This has been higher than expected and shows more of a permission based environment.

**Product Demonstrations**

We also offer opt-in demos for our white papers and webinars.

On our whitepapers we have been getting an average of around 6 demo requests.
The Customer Dashboard allows you to view the latest stats that your content has received from adverts, editorial, whitepapers and any webinars.
