Sponsorship of a Survey and Report

Our detailed surveys look at a wide range of issues that are impacting customers ranging from operational issues to the technologies that contact centres use. We are offering Companies the opportunity to sponsor an individual chapter.

Our last Call Centre Helper Contact Centre Survey had over 300 contact centre professionals taking part, which makes it one of the most comprehensive snapshots into what contact centres are currently doing.

This year, we are running one survey in the Autumn, which is our popular “What Contact Centres Are Doing Right Now?” report.

We have the opportunity for just 6 companies to sponsor each survey and the accompanying report.

We also produce an individual report of your sponsored chapter that you can then use for your own promotional needs.

Each sponsor receives their share of the contacts generated

Sponsorship of an Email Blast

An eBlast allows you to send out a targeted email to our subscriber list. This can be a White Paper, eBook, Survey, Event Mailing or Benchmarking Report. Assets that solve a typical call centre problem work well.

The mailing will link through to a gated landing page on Call Centre Helper, where the reader submits a form to access the content. This form will be prepopulated with their details, making it as easy as possible for the reader to access the content, in a GDPR compliant way.

We collect Name, Job Title, Company, Email and Phone Number as well as the Number of Contact Centre Agents. We filter out students, consultants, competitors and people without a contact centre.

Those people who have given permission to be contacted will be supplied to you through your customer dashboard.

We send out a maximum of 1 UK mailing and 2 global mailings per month.

What’s included in an eBlast:

• 1 email marketing campaign to our newsletter subscribers (can be geotargeted)
• Promotional article on the Call Centre Helper website
• Appearance in Call Centre Helper newsletter

The eBlast process:

• You send us the asset you would like to use as the content for the Eblast.
• We will check the asset for relevance to our readership, quality and how similar it is to other Eblasts in the schedule.
• Once we are satisfied that it is suitable, we will then schedule the Eblast.

Directory Entries

Directory Entries are payable in advance via PayPal or credit card. Individual Directory Entries run for a 12 month period and you can start the year at any time. Should you later decide to take out the High Profile Package then we will add any remaining time left on your directory entry onto the end of the package.

The High Profile Package

Upon cancellation, we will leave any of your editorial content (press releases, articles etc.) on the site but your white papers, adverts and directory entry will be taken down at the time of cancellation. We will also remove any links to your website.

- All content submitted is subject to Call Centre Helper's normal editorial controls and must be written from a neutral point of view. By submitting content to Call Centre Helper, you retain copyright of the material. You also grant to Clearly Presented Ltd (the owners of Call Centre Helper) an irrevocable, non-exclusive license to publish, modify (edit – subject to standard editorial procedures) or distribute the content in any way that we feel fit.
- We will usually credit the author. Please note that all content in our reference guides is liable to be changed and edited over time.
- The High Profile package allows you to publish two items of downloadable content per month.
- Due to space constraints, we cannot guarantee that content will be published in the same week but we will endeavour to ensure that it is published as soon as possible.
- As a rule of thumb, we do not tend to publish press releases that relate to financial results.

- Any bolt-ons need to be used within the time frame of the package and cannot be carried forward.
- You can cancel your contract at any time but it will be subject to a cancellation fee depending on whether you have used your bolt-on.

If you have not used your bolt-on, then you can cancel at the end of the quarter and a cancellation fee depending on your bolt-on will be applied as follows:
