Software demonstration

WFM now costs less than you think!

- injixo: WFM in the cloud for £9/user/month
- Everything you need via a web browser
- No server or heavy IT project
- No setup fee – training included
- No minimum term – exit anytime
- Uptime guarantee
- Cloud = continuous innovation
- Vault-like security (PCI DSS, etc.)
- No need for a capex budget - open
- Flex capacity up and down as needed
